

MILE Monday Messages

Due to the Thanksgiving holidays, this will be an abbreviated version. We hope you all had a safe and joyous holiday!

If you have not responded to the RSVP for Friday's meeting, please hit reply and simply let us know if you will be coming or not. This greatly helps us with planning and food preparation.

MILE Shirts make for great Christmas presents: This is just one last reminder to bring a few extra dollars for the purchase of shirts at the December 2 MILE Program. Mentors can treat their protégés, or protégés can thank their mentors for all they do for you. They are just \$15 each or two for \$25. Why not buy one for your significant other while you are at?
